Matchmaking and events service launches Palm Beach Gardens hub

SPECIAL TO FLORIDA WEEKLY

A newly launched business called Revolution Dating, a dating service and events club aimed at single, divorced and widowed adults in Florida, has opened in Palm Beach Gardens. "It's not what you know, it's who you know," said founder Kelly Leary in a prepared statement, "and we know some amazing single men and women."

The dating service, which also plans parties and benefits, is located near Spoto's Oyster Bar, Rocco's Tacos and Vic & Angelo's restaurants.

After 23 years in the dating industry, Ms. Leary said in her prepared statement, "I feel driven to raise the bar for our many friends and clients. I am excited to introduce new types of events from Oscar Night to Ballroom Dance Events to Yoga Workshop to Tandem Kayaking. Our goal is to attract dateworthy professional and retired singles."

Ms. Leary has a master's degree in clinical psychology, she noted in the prepared statement and, since 1991, "has helped thousands of singles from 25 to 85 find friendship and romance."

Her client base ranges from Vero Beach to Broward County, and each is screened and background checked. Revolution Dating membership includes a professional photo shoot, profile-writing assistance, one-on-one date coaching, image consulting and/or personal shopping in preparation for a first date. The dating service also has a consultant to help individuals post-divorce or breakup become what it terms "relationship ready." The service also boasts a "Millionaires Only Circle" as an option.

In her prepared statement, Ms. Leary also noted, "Our parties are private for our friends and members, unlike other singles events where anyone can attend. As always, our events are first come, first serve. If you don't like parties, we can do one-on-one set-ups."

New clients, who join before April 20, will be invited to an event the dating service calls a "Sexy Singles Launch Party" in late April. For more information, call Revolution Dating at 630-XOXO or go to www.revolutiondating.com.
