*Leading South Florida and Treasure Coast dating service Revolution Dating held a remarkably successful 1920s speakeasy-themed party for its members. The private lounge event featured costume dress, renowned jazz musicians, singles mingling games, upscale food and drink, dancing and much more.*

Palm Beach Gardens, FL (PRWEB) October 07, 2014

Elite South Florida dating service Revolution Dating once again saw incredible success at its latest matchmaking event a uniquely themed Great Gatsby Party held Tuesday, September 30. Dozens of Revolution Dating members attended the private event for which the Blue Oyster Lounge at Spottos of PGA Commons was transformed into a roaring 1920s prohibition-era speakeasy, complete with feather décor, period costumes, renowned jazz musicians, refreshments, dancing, and an unforgettable evening for South Florida and the Treasure Coasts most eligible singles.

This members-only event at the private lounge kicked off with an opulent red carpet and velvet rope entry. Each female guest was provided with a heart shaped padlock and each male attendee with a key that corresponded to an unknown lock, so guests had to mingle throughout the night to try to find their match. Guests were also

entertained with roaring jazz music from Gregory "Popeye" Alexander, Jazz Musician of The International Players, French Jazz Guitarist Jerome Degey, and Tim Malbacher on the drums.

Our Great Gatsby Party was one of Revolution Datings most successful and one of my favorite events weve ever held, said Revolution Dating Founder and President Kelly Leary. It literally felt like we had stepped back in time to the 1920s, and we had such a wonderful evening watching our members have fun and make lasting connections. We even had to clear away extra tables at the end of the night to make room for all of the dancing.

As with all of Revolution Datings events, the Great Gatsby Party featured an even ratio of eligible men and women in similar age ranges, all pre-screened by the service to help take the guess work out of dating. The top matchmaking services love experts were also on hand to make personal introductions for couples who they felt were especially well-suited for one another.

While Revolution Dating is committed to helping South Florida and Treasure Coast singles find love, the company is also dedicated to giving back to the local community. The leading dating service has contributed to several charity events throughout the past week, sponsoring the 6th Annual [Bluewater Babes Fish For A Cure](#) at U-Tiki Beach in Jupiter and the 2nd Annual [Bachelor Auction Cocktails for Canines](#) at Salt7 in Delray Beach, benefitting Tri-County Humane Rescue.

Utilizing Learys Masters Degree in Clinical Psychology and more than two decades of matchmaking expertise, Revolution Dating has clearly distinguished itself above competitive services with its genuine focus on building relationships, ongoing adventure dating offerings, and elevated level of customized services.
