Palm Beach Gardens, FL (PRWEB) September 30, 2014

Revolution Dating, an exclusive South Florida matchmaking service, today announced the hiring of Heather Graham as the company's Director of Events and Social Media. Since opening its chic new headquarters in the heart of the Palm Beach Gardens social scene in PGA Commons Plaza earlier this year, Revolution Dating has seen astounding success and has experienced rapid growth throughout Palm Beach County and the Treasure Coast.

In her new position, Graham will help maintain relationships with Revolution Dating's diverse range of clients, as well as introduce new South Florida singles to all the fantastic services the company has to offer. Graham will also serve as a brand ambassador, working to increase awareness of the company online and in the community through local outreach, relationship building, and participation in community events, utilizing her experience in sales, event management, and social media marketing.

Graham will be representing Revolution Dating at a number of amazing social events and charitable endeavors throughout South Florida in the coming weeks. These include Bluewater Babes Fish For A Cure, for which Revolution Dating is a sponsor, and the 2nd Annual Bachelor Auction Cocktails for Canines benefiting the Tri-County Humane Rescue, among many others.

I am thrilled and honored at the opportunity to join Revolution Dating, said Graham. Founder Kelly Leary's reputation as a matchmaker extraordinaire precedes her, and I am so delighted to become part of the stellar team of love experts at Revolution Dating during such an exciting time for the company. I look forward to spreading the word about our revolutionary services throughout the area to help even more South Floridians find romance, companionship, and love!

Heather Graham will be a fantastic addition to our team, who I know will bring the same passion, energy, and positivity that people have come to expect from Revolution Dating, said Revolution Dating President and Founder Kelly Leary. I am very excited to welcome Heather to our team and look forward to working with her to expand the reach of our events and services.

Built upon Leary's Master's degree in clinical psychology and proven, two-decade track record in the industry, Revolution Dating sets itself apart from other matchmaking companies with an unprecedented degree of personal attention and relationship guidance. Not only does every member receive a professional photo shoot, writing assistance with his or her personal profile, image consulting, and relationship coaching, but Revolution Dating also organizes exciting invitation-only parties and group adventure dates.
